

WRITER / VIDEOARTIST

OPHIDANA

Also known as **Daniela Berdejo Medina**, I am an emerging Mexican writer and filmmaker with a special interest in ethics. My voice often incorporates confessional, speculative and mythological elements. Likewise, I've always had very strong theatrical and aesthetic inclinations, which often rear their way into my art.

CURRENT OBJECTIVES

OPHIDANA'S

[Mini Web Series | Jun 2023-Present](#)

Since 2023 I have been planning, writing, performing, recording and editing my most ambitious audiovisual project to date. It's about a magic shop owned by a goddess. This year I would like to finish the first 3 episodes and publish them.

IVORY ENDEMIC & CARMINE CHOLERA

Short Story Collection Jun 2025-Present

I want to finish and publish my first collections of short stories inspired in [artificial intelligence](#) and [genetic engineering](#).

THE PYROMANIAC

[Personal Blog | Jan 2020-Present](#)

Since 2020 I have been writing two stories about a pyromaniac and publishing them on my blog. I would love to finish them and complement them with a series of personal essays about my artistic beliefs.

PORTAFOLIO

ELLA

[Mexican Futurisms, Especulativas | 2025](#)

I wrote a micro-fiction about genetic engineering inspired by an article I read.

SAVAGE DAUGHTERS
